Dear Athlete,

Thank you for taking part in the Dream Trail Race 2016 and making it such a success. If you belong to a club thank you for supporting our club on this occasion. We will try to return the compliment when you hold races of your own.

If you live locally and do not belong to a club you are welcome at St Helens-Sutton A C on Tuesdays and Thursdays at 6.30.p.m. where you will find runners of all standards.

If you are not local to St Helens then seriously consider joining your nearest club where we are certain you will find a warm welcome from amongst the running community.

We will inform you of details of next year's race in due course and hope you will be able to join us in 2017 for another tough challenge known as the Dream Trail Race.

We will be conducting an on-line survey to obtain feedback and hope you will respond as soon as soon as possible.

Best Wishes

Dr Phil Thomas
Race Secretary
